

Hull & Company of California New Program Administrator for the Exclusive FLOW Traffic Control Program.

NATIONAL....Hull & Company, Inc. and Arrowhead General Insurance Agency, Inc. announce that they have recently entered into an agreement to transfer the FLOW Traffic Control Insurance Program book of business from Arrowhead to Hull & Company's Irvine, CA office. Carl Bartlotti, CPCU, CIC, Vice President and Profit Center Leader of the Hull-Irvine office expressed that "we are very excited to add this national program to our growing portfolio of coverages and programs for the specialty marketplace".

THE TRAFFIC CONTROL PROGRAM

The Traffic Control Program commonly known as "FLOW" provides coverage nationwide specifically for the traffic control industry and designed to support the sale and distribution, and set up and installation of traffic control devices and traffic signs. Coverage will continue to be underwritten through A.M. Best's rated A+ IX rated carrier on an exclusive nationwide basis.

COVERAGE

Coverage highlights include general liability with limits up to \$1M/\$2M with many options to include:

- Employers liability - stopgap
- Employee benefits liability
- Additional insured forms
- Per project aggregate
- Waiver of transfer of recovery rights
- Primary and non-contributory wording

Additionally, excess limits are readily available.
